

'73 Alumni Fund Targets \$100,000 Goal

Saint Joseph's Alumni Association has announced a goal of \$100,000 for the 1973 Alumni Fund and a goal of 100 students via the Alumni Recruiting Program.

"We like a stiff challenge in our goals, yet we feel these goals are within our reach," explains Philip J. Wilhelm '63, President of the Alumni Association. "During the recently completed fiscal year, the Alumni Fund totalled \$74,865, an increase of more than \$13,000 over the previous year. This was accomplished during an 11-month fiscal year, since the college moved its fiscal year closing date from July 31 to June 30 this summer."

Wilhelm views the current 12-month fiscal year as one advantage in reaching the \$100,000 goal, plus the "head start" given the Alumni Fund. That "start" was a \$1,000 check given the Alumni Association in St. Louis

July 3, by U.S. Steel as their 1971 Alumni Incentive Giving Award.

James E. Madden '64, Vice-President for Financial Support, says the Alumni Fund approaches the new year with a well-planned program of gift solicitation involving alumni, the senior class gift, phone-a-thons (responsible for more than \$10,000 last year), and matching grants, under which companies match the gift amount of their Saint Joe alumni employees.

Madden also cites a stepped-up program of contact with alumni, built partly around a publications schedule whereby all alumni will receive at least one publication monthly of either an

information newsletter, Contact (the alumni newspaper) or a fund-raising mailer.

Gerald F. Walker '59, Vice-President for Academics and Recruiting, sees effort and pride in Saint Joseph's as key factors in meeting the student recruitment goal of 100.

"By August of 1972, 77 students were influenced to some degree to enter Saint Joseph's by virtue of our Alumni Recruiting Program," he reports. "We view the goal of 100 new students in '73 as quite realistic; more than 100 alumni are currently active as volunteer recruiters. The program involves telephoning students interested in the College to answer any possible questions and in many cases, visiting student homes to discuss a choice of colleges with the student and his parents. Their increasing effort indicates growing pride in Saint Joseph's, and this gives us optimistic hope for success in the future," Walker concludes.

\$100,000 Kickoff — SJC Alumni Board officers (left to right) Jim Madden '64, V.P. for Financial Support, Phil Wilhelm '63, President, Bernie Balas '57, V.P. for Alumni Relations, and Jerry Walker '59, V.P. for Academics and Recruitment, present the \$1,000 U.S. Steel Award to college President, Father Charles Banet, C.P.P.S., to kick-off the '73 Alumni Fund Drive.

Alumni Merit Winner

(Above) Dr. Frank Ritter '46 accepts the Alumni Merit Award from Father Banet. Dr. Ritter's award was given in recognition of his work in the field of medical research and treatment of deafness. (Right) Mr. Frank Fitzsimmons, General President of the International Brotherhood of Teamsters, received an honorary doctorate of Public Service for his perseverance in solving the problems of the working man.

A Family Of Fellows

(Above) Dr. and Mrs. John B. Egan, SJC professors of music, brought their eight children (one not pictured) into the Fellows Program at the June 24th dinner. This brings to 42 the number of College personnel, wives and children enrolled. In the rear are Father Banet and G. Richard Schreiber '43, Chairman of the Board of Trustees. (Left) Mary Elizabeth, daughter of Jerome ('59) and Maria Bosch of Chicago, became the 1000th Fellow of SJC.

Philosophy Symposium Offers Alumni A "Tribute To Maritain"

Due to the success of the 1971 Homecoming Philosophy Symposium, the department is planning a similar event for the 1972 Homecoming for students, alumni, and friends of the College.

The theme of the symposium will be the work of the noted philosopher Jacques Maritain, on the occasion of his 90th birthday. The symposium will consist of six one-hour sessions, four on Friday afternoon and evening and two Saturday morning. Each session will open with the presentation of a short paper, the purpose of which will be introductory and to invite comments and discussion from the other participants. The sessions will be largely non-technical and the mood is meant to be relaxed but serious, informal but informed.

The schedule will allow everyone to participate in all the

traditional Homecoming festivities: Happy Hour, football game, dances and parties. All alumni are invited to attend any or all sessions free of charge.

Wally Moore '50 In SJC Sports Hall Of Fame

Wally Moore, curenly assis-
tant football coach at the Uni-
versity of Notre Dame, has been
elected to the Saint Joseph's
College Sports Hall of Fame by
the Alumni Association's Board
of Directors.

He becomes the 30th member
of the Hall of Fame, which was
begun in 1968 to give recogni-
tion to Saint Joseph's outstand-
ing athletes. Moore was gridiron
halfback at SJC during 1948-49
and he led the team in scoring
and rushing during both his
junior and senior years. In these
seasons, he scored 60 points and
picked up 712 yards in 138 car-
ries for a nifty 5.15 average
gain.

He graduated in June of 1950
with a bachelor of science de-
gree in physical education.

Moore later distinguished him-
self as a coach at South Bend
St. Joseph's High School when
the Indians completed the 1964
season with a 9-0-1 record and
captured the mythical state
championship. In eight years
there, he posted a cumulative
48-15-5 record.

Bernie Lareau '59 (center), head trainer of the Chicago Bears, proved to be one of the most popular of the Bear personnel with visiting retarded children from the Jordan School. Pat Collins (sec-
ond from left), a junior from Deerfield, Ill., is a counselor with the
three week summer program. Des Ryan '58, chairman of the SJC
psychology dept. is president of the Jasper County Association for
Retarded Children.

Pumas Plan '72 ICC Title Defense

It's been 14 years since Saint
Joseph's has entered a football
season as the defending Indiana
Collegiate Conference champions,
but that's the lofty perch the
Pumas enjoy as they prepare for
the 1972 gridiron wars. SJC has
been made well aware that de-
fending a title is often more dif-
ficult than winning it the first
time, but coach Bill Jennings
looks optimistically ahead with a
nucleus of 24 returning letter-
men.

NEWLAND

These monogram winners boast
proven talent, but the success of
the Pumas depends largely on
how well the varsity newcomers
can fill the shoes of 16 gradu-
ated lettermen, a group that
contains some of the finest tal-
ent in college history. During
the past two season, the Pumas
have won 15 of 19 games behind
a balanced run-and-pass offense,
plus a crunching defense. Spring
drills indicate SJC will test that
formula for success again this
fall.

Letterman Bill Reagan (jun-

WALKER

ior-Lorain, O.) returns to direct
the offense from his quarterback
spot, but he'll be pushed for a
starting job by newcomer Jim
Owens (junior-Chicago, Ill.) and
'71 junior varsity graduate Bob
Dragich (sophomore-Gary, Ind.).
All three have displayed fine
passing ability, but that's only
the first half of an effective

aerial game. The other half, the
receivers, were crippled by losses
on graduation day, leaving Jerry
Siemer (senior-Cincinnati, O.)
as the lone monogrammer among
the ends. Newcomers Brian Har-
ris (senior-Oak Lawn, Ill.), Jim
Bigoness (sophomore - Downers
Grove, Ill.), Al Placek (senior-
Chicago, Ill.) and the versatile
Owens all could see duty as re-
ceivers.

In contrast, the Saints are
probably deepest in running
backs, where lettermen Steve
Mann (senior-Fort Wayne, Ind.),
Jim Mercon (senior - Chicago,
Ill.) and Joe Pallotta (junior-
Medford, Mass.) all return.

The offense moves behind an
interior line that features seven
returning lettermen: tackles Ter-
ry Taphorn (senior-Indianapolis,
Ind.), Jeff Schuetzner (junior-
Chicago, Ill.) and Greg Diem
(junior-Hoffman Estates, Ill.),
guards Bill Starace (senior-
Westmont, Ill.) and Kedrick
Beard (junior-Angola, Ind.), and
centers Tim Buckley (senior-
Whiting, Ind.) and Greg Perkins
(sophomore - Centerville, O.).

When all else failed, the de-
fense frequently saved the day
for the '71 Pumas. Manpower
evident in the point prevention
unit indicate this group will
again be tough to handle in '72.
The rush line is paced by six
monogrammers: ends Doug Per-
kins (senior-Centerville, O.) and
Dana Stewart (senior - Beech
Grove, Ind.), tackles Walt Walk-
er (senior-Chicago, Ill.) and
Larry Sykes (senior - Chicago,
Ill.), and middle guards John
Timme (senior - Indianapolis,
Ind.) and Dan Flaherty (senior-
Rock Island, Ill.). Newcomers
Tom McGivern (junior - Johns-
town, N.Y.) and Frank Kerill
(sophomore-St. Joseph, Mich.)
will challenge for starting jobs.

Lettermen Myron Newland
(senior - Indianapolis, Ind.) and
Joe Mahoney (senior - Chicago,
Ill.) lead the linebacking corps
that also includes Jack Martin
(junior-Toledo, O.) and Nick
Bazan (sophomore - St. Joseph,
Mich.). Dick Briede (junior-
Indianapolis, Ind.) and Pete
Snell (senior-Albion, N.Y.) are
set at defensive halfbacks, while
Henry Davis (senior-Cincinnati,
O.) and Willie Turner (junior-
Miami, Fla.) are the safeties.

Baseball, Golf Combine For A Winning Spring Record

Saint Joseph's baseball and
golf squads met with mixed
success this spring as the dia-
mond squad finished with an
11-16 record while the golfers
stood 26-19-1.

A shortage of hitting strength
crippled the baseballers' efforts,
not to mention an uncooperative
weatherman whose persistent
rain and wet grounds allowed
just two full games on the cam-
pus diamond.

Brightest individual on the
baseball team was outfielder
Tom Nixon, who swatted a
healthy .382 while leading the
club in hits (29) and runs batted
in (15). His 83 career hits make
him the all-time SJC leader in
this department. Nixon was
named the Pumas' Most Valu-
able Player for 1972. Pitcher
Dave Gandolph also picked up
three victories to conclude a bril-
liant career with 16 wins, tops
on the all-time list.

The future is similarly bright
on the golf scene, where coach
Dick Scharf will welcome back
vets like Mike McNamara, Dan
Hushek and Dan Kostrzewa. The
'72 golf squad improved marked-

ly over '71, picking up wins over
such notables as Pittsburgh, Col-
gate and Massachusetts Institute
of Technology.

Paul D. (Tony) Hinkle Scholar
Award was presented to SJC
senior David A. Gandolph of In-
dianapolis. Gandolph is an all-
conference performer in football
and baseball, earning his all-ICC
honors in the latter sport while
setting a SJC record for most
victories by a pitcher in a sea-
son and in a career.

76 Golfers Tee Off For Alumni Open

The second SJC Alumni Open
proved to be quite a success with
seventy-six golfers teeing off at
Rensselaer's Curtis Creek Coun-
try Club, Saturday, August 5.
(Left) Bob Conley '41, former
Alumni Board President, chips
on to the par three fifth hole.
Conley's golfing prowess proved
to be sufficient enough for him
to capture the first place trophy
with an adjusted score of 67.

a zig instead of a zag. (Below) Only one of the four winners was
available for presentations at the 19th hole. (Left to Right) Accep-
ting the third place trophy for Larry Brost '64 is Fr. Vince Balice,
C.P.P.S.; accepting for first place trophy for Bob Conley '41 is Jim
Madden '64. Mac Hershberger '68 received his trophy for a second
place finish. Dale Anderson, SJC's athletic business manager, finished
first in the scratch golf competition with a 76.

"Colleges do not grow by themselves; they are built by people who believe in them." These are words that you have undoubtedly seen time and again while reading about Saint Joseph's College over the years. This phrase has become an unofficial motto of the College.

This issue of **Contact** is certainly an emphatic reminder that Saint Joseph's College is fortunate to have thousands of "people who believe in them."

Saint Joseph's Alumni Fund has gained national recognition and won a coveted award because of its success in 1971. An even better year was 1972. And a goal of \$100,000 is set for 1973!

The Fellows of Saint Joseph's, 1030 strong after ten years, has been a prototype for programs of its kind. Recently it was featured as a "model program" in the American Alumni Council's monthly, **Commentary**. The success of these and all of our other "projects for development" happens only because we have those "people who believe in them."

But enough of what has happened; you'll read much more detailed information as you peruse this issue of **Contact**. The purpose of my writing is to tell you about a new, informative column that will occupy this space in future issues. We hope this series will be interesting and helpful to you and at the same time beneficial to Saint Joseph's College.

Several years ago we began a low-key program geared to our older alumni, centered on the "planned gift or deferred gift." We stressed the importance of having a will and briefly described a few of the ways that planned gifts could be made and how this type of giving could often benefit the giver because of tax consequences.

Since 1970, many of these alumni have communicated with us, telling us of their planned bequests to the College under their wills. Still others, working with their lawyers or other estate consultants, have written trusts, annuities and other types of deferred gifts for Saint Joseph's.

Because of the success of this very limited program, and because of the tax consequences of this type of giving, we have concluded that we should provide more information to a wider audience.

The questions then were how do we do this economically on a large scale, and whom do we ask to research and write the most pertinent information? Writing about trusts, annuities, life insurance agreements, etc., is rather technical. But then the answers to both questions became quite obvious. **Contact** reaches all of our benefactors and enjoys a thorough and interested readership. Who should write the articles? Again an obvious answer—among our own alumni and trustees we have lawyers, trust officers, accountants, and underwriters of outstanding ability.

So, among the coming features in this column, guest authors will write on the various ways that "planned gifts" are made and the philosophy behind them. But perhaps most important, they will give examples of how gifts can be made to fulfill the donor's wish to make a gift to Saint Joseph's College while at the same time taking advantage of the tax benefits of a charitable gift.

For many people today, the largest single expenditure in their budgets is taxes. The minimization of their tax expenditure through charitable gifts is encouraged by the government. We hope that the coming series of articles will give you an insight into this method of giving.

Now more than at any other time in the recent history of Saint Joseph's, we underscore our motto "Colleges do not grow by themselves; they are built by people who believe in them."

Seven Added To Alumni Board

Philip J. Wilhelm '63, President of the Saint Joseph's College Alumni Board of Directors, announced the appointment of seven new members at the July 15 summer meeting on campus.

Baldin, an owner and partner of JNL Insurance Agency of Munster, Ind., resides at 1809 Cheyenne Drive in Schererville. He received a bachelor of science degree in economics and marketing from Saint Joseph's. He is a member of the Lake Central School Board, Schererville Civic Fund Board of Directors, Lake County Park Advisory Council, Managing Board of Northwest Indiana Special Educational Co-operative and the Advisory Council of the Hoosier State Bank in Schererville.

He is a past president of the Schererville Chamber of Commerce, the Greater Hammond Association of Life Underwriters and the Lake County Club of Saint Joseph's College. He and his wife have four children.

Clemens, recipient of a bachelor of arts degree in political science at Saint Joseph's, later earned a law degree at Indiana University. Formerly a trust officer for American Fletcher National Bank in Indianapolis, he is now an attorney and Vice-President for J. H. Daoust in Dearborn.

He and his wife, Diane, reside at 521 Nightingale in Dearborn. They have three children.

Kanne attended Saint Joseph's College in his freshman year before completing studies for a law degree at Indiana University. He has served as attorney for the City of Rensselaer and President of the Jasper County Bar Association. He has been a member of the House of Delegates of the Indiana State Bar Association and a member of the American Bar Association.

He and his wife, Judith Ann, reside at 605 Milroy Avenue in Rensselaer.

Lippie received a bachelor of science degree in accounting at Saint Joseph's. Formerly an Internal Revenue Service agent in Gary, Ind., and Chicago, he is now Manager of Income Taxes for Field Enterprises Educational Corporation in Chicago. He was previously a member of the Alumni Board during 1968-71.

He and his wife, Marge, reside at 9317 Wildwood Drive in Highland. They have three children.

Ramesh, a salesman for Steel Sales Corporation of Chicago, has served as President of the Michiana Chapter of the Saint Joseph's Alumni Association and a member of the South Bend

SJC Veterans Club Programs Aim At Community Service

Saint Joseph's College Veterans Club collected more than 700 pounds of clothing in Rensselaer Jasper County for the benefit of victims of tropical storm Agnes, which ravaged the eastern United States in late June.

Tom Jackson (junior-physical education major, Worthington, Ind.), President of the veterans' group, says this is only the first in a series of public service projects planned by the veterans, a group founded last January and including 15 Saint Joseph's students and alumni, plus four faculty members. "Other clothing drives for the poor and needy could be some of our future projects, but right now we're working on a fishing outing for a group of orphans. Saint Joseph's food service, American

Retail Association, has agreed to provide box lunches for the outing and we should have the details finalized soon," he adds.

Looking to the future, Jackson sees the Veterans Club playing an increasingly greater role in Public Service.

SJC Tuition Costs Stay Competitive

As tuition and living costs have risen on college campuses throughout the nation, particular concern has been directed at private colleges like Saint Joseph's which receive no direct taxpayer support.

Although Saint Joe's does not purport to compete with the tuition paid at public universities, the College's costs are surprisingly low when compared to other colleges of similar caliber in the Midwest area.

1 Antioch	\$3,967
2 Oberlin	3,920
3 DePauw	3,750
4 Denison	3,735
5 Earlham	3,700
6 Ohio Wesleyan	3,575
7 Wooster	3,543
8 Wabash	3,250
9 Albion	3,230
10 Kalamazoo	2,925
11 Hope	2,835
12 Saint Joseph's	2,780

The costs listed are for the 1971-72 academic year and do not project the changes which are forthcoming in the 1972-73 academic year, in which most other colleges will be raising tuition and living costs while those of SJC will be maintained at the 1971-72 level.
